

Blakers Park is a special place for most people who live nearby – from dog walkers and tennis players to playground explorers, cake eaters, sun worshippers, footballers, frisbee throwers, nature lovers and, occasionally, skiers and snowman makers!

Our group of local volunteers keeps an eye on the park, improves its planted areas, organises events and works closely with our Park Ranger to protect and enhance our much-loved green space.

Joining the Friends builds community around the park we all enjoy and contributes to putting on our free annual events, buying plants and compost and funding special projects in the park – so everything goes straight back into the community.
